SUBJECT INDEX
Advances in Nursing Science
Volume 24

A

Adolescents

Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42

Ancestral connectedness

Advancing Nursing Scholarship through the Interpretation of Imaginative Literature:

Ancestral Connectedness and the Survival of the Sufferer. (Harrison) 2001;24(2):65-80

Appalachian families

Family Routines: A Structural Perspective for Viewing Family Health. (Denham) 2002; 24(4):60-74

B

Biotechnology

Nursing Ethics in an Era of Globalization. (Austin) 2001;24(2):1-18

C

Capacity building

Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16

Cardiac arrest

Theoretical Development of Nursing Interventions for Sudden Cardiac Arrest Survivors Using Social Cognitive Theory. (Dougherty, Johnson-Crowley, Lewis, Thompson) 2001;24(1):78-86

Caring

Empathetic Maturity: Theory of Moral Point of View in Clinical Relations. (Olsen) 2001; 24(1):36-46

Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16

Nursing with Prisoners: The Practice of Caring, Forensic Nursing or Penal Harm Nursing? (Maeve, Vaughn) 2001;24(2):47-64

Toward a Praxis Theory of Suffering. (Morse) 2001;24(1):47-59

Children

Creating a Context of Safety and Achievement at School for Children Who Are Medically Fragile/Technology Dependent. (Rehm) 2002;24(3):71-84

Chronic health conditions

Creating a Context of Safety and Achievement at School for Children Who Are Medically Fragile/Technology Dependent. (Rehm) 2002;24(3):71-84

Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002;24(4):27-47

Transitions in the Concept of Chronic Pain. (Breen) 2002;24(4):48-59

Community

Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42

Home and Border: The Contradictions of Community. (Drevdahl) 2002;24(3):8-20

Complexity and context

Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42

Home and Border: The Contradictions of Community. (Drevdahl) 2002;24(3):8-20

The Pattern That Connects. (Newman) 2002;24(3):1-7

Visible Humans, Vanishing Bodies, and Virtual Nursing: Complications of Life, Presence, Place, and Identity. (Sandelowski) 2002; 24(3):58-70

Computer communication networks

A Theory of Online Social Support. (LaCoursiere) 2001;24(1):60-77

Concept analysis

Transitions in the Concept of Chronic Pain. (Breen) 2002;24(4):48-59

Concept formation

Home and Border: The Contradictions of Community. (Drevdahl) 2002;24(3):8-20

Connectedness

Advancing Nursing Scholarship through the Interpretation of Imaginative Literature: Ancestral Connectedness and the Survival of the Sufferer. (Harrison) 2001;24(2):65-80

The Pattern That Connects. (Newman) 2002; 24(3):1-7

Consciousness

Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16

Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002;24(4):27-47

D*Developmental disability*

Creating a Context of Safety and Achievement at School for Children Who Are Medically Fragile/Technology Dependent. (Rehm) 2002;24(3):71-84

Dignity

Respect for Human Dignity: A Central Phenomenon to Philosophically Unite Nursing Theory and Practice through Consilience of Knowledge. (Jacobs) 2001;24(1):17-35

E*Empowerment*

Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16

Environmental health

An Integrative Model for Environmental Health Research. (Dixon, Dixon) 2002;24(3):43-57

Equality

Reinvesting in Social Justice: A Capital Idea for Public Health Nursing? (Drevdahl, Kneipp, Canales, Dorcy) 2001;24(2):19-31

Ethics

Empathetic Maturity: Theory of Moral Point of View in Clinical Relations. (Olsen) 2001; 24(1):36-46

Human Biological Materials in Research: Ethical Issues and the Role of Stewardship in Minimizing Research Risks. (Jeffers) 2001;24(2):32-46

Nursing Ethics in an Era of Globalization. (Austin) 2001;24(2):1-18

Nursing with Prisoners: The Practice of Caring, Forensic Nursing or Penal Harm Nursing? (Maeve, Vaughn) 2001;24(2):47-64

Reinvesting in Social Justice: A Capital Idea for Public Health Nursing? (Drevdahl, Kneipp, Canales, Dorcy) 2001;24(2):19-31

F

Family health

Family Routines: A Structural Perspective for Viewing Family Health. (Denham) 2002; 24(4):60-74

Forensic nursing

Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42

Nursing with Prisoners: The Practice of Caring, Forensic Nursing or Penal Harm Nursing? (Maeve, Vaughn) 2001;24(2):47-64

G

Genetic research

Human Biological Materials in Research: Ethical Issues and the Role of Stewardship in Minimizing Research Risks. (Jeffers) 2001; 24(2):32-46

Globalization

Home and Border: The Contradictions of Community. (Drevdahl) 2002;24(3):8-20

Nursing Ethics in an Era of Globalization. (Austin) 2001;24(2):1-18

H

Health promotion

Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16
An Integrative Model for Environmental Health Research. (Dixon, Dixon) 2002;24(3):43-57

Health transitions

Family Routines: A Structural Perspective for Viewing Family Health. (Denham) 2002; 24(4):60-74

Health, Healing, and the Myth of the Hero Journey. (Smith) 2002;24(4):1-13

A Phenomenological Study of the Art of Nursing: Experiencing the Turn. (LeVasseur) 2002;24(4):14-26

Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002;24(4):27-47

Transitions in the Concept of Chronic Pain. (Breen) 2002;24(4):48-59

Hermeneutics

Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42

Health, Healing, and the Myth of the Hero Journey. (Smith) 2002;24(4):1-13

Nursing with Prisoners: The Practice of Caring, Forensic Nursing or Penal Harm Nursing? (Maeve, Vaughn) 2001;24(2):47-64

Human Genome Project

Visible Humans, Vanishing Bodies, and Virtual Nursing: Complications of Life, Presence, Place, and Identity. (Sandelowski) 2002; 24(3):58-70

Human research subjects

Human Biological Materials in Research: Ethical Issues and the Role of Stewardship in Minimizing Research Risks. (Jeffers) 2001; 24(2):32-46

I*Information technology*

- Visible Humans, Vanishing Bodies, and Virtual Nursing: Complications of Life, Presence, Place, and Identity. (Sandelowski) 2002; 24(3):58-70

Internet

- A Theory of Online Social Support. (LaCoursiere) 2001;24(1):60-77

J*Justice*

- Empathetic Maturity: Theory of Moral Point of View in Clinical Relations. (Olsen) 2001; 24(1):36-46
- Reinvesting in Social Justice: A Capital Idea for Public Health Nursing? (Drevdahl, Kneipp, Canales, Dorcy) 2001;24(2):19-31

L*Life patterns*

- The Pattern That Connects. (Newman) 2002; 24(3):1-7
- Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002;24(4):27-47

Literary analysis

- Advancing Nursing Scholarship through the Interpretation of Imaginative Literature: Ancestral Connectedness and the Survival of the Sufferer. (Harrison) 2001;24(2):65-80

M*Models of care*

- Empathetic Maturity: Theory of Moral Point of View in Clinical Relations. (Olsen) 2001; 24(1):36-46
- Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16
- Respect for Human Dignity: A Central Phenomenon to Philosophically Unite Nursing Theory and Practice through

- Consilience of Knowledge. (Jacobs) 2001; 24(1):17-35

- Toward a Praxis Theory of Suffering. (Morse) 2001;24(1):47-59

Mutuality

- Empowerment as a Process of Evolving Consciousness: A Model of Empowered Caring. (Falk-Rafael) 2001;24(1):1-16

N*Nursing art*

- A Phenomenological Study of the Art of Nursing: Experiencing the Turn. (LeVasseur) 2002;24(4):14-26

Nursing education

- Advancing Nursing Scholarship through the Interpretation of Imaginative Literature: Ancestral Connectedness and the Survival of the Sufferer. (Harrison) 2001;24(2):65-80

Nursing practice

- Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42
- Nursing with Prisoners: The Practice of Caring, Forensic Nursing or Penal Harm Nursing? (Maeve, Vaughn) 2001;24(2):47-64
- The Pattern That Connects. (Newman) 2002; 24(3):1-7
- Respect for Human Dignity: A Central Phenomenon to Philosophically Unite Nursing Theory and Practice through Consilience of Knowledge. (Jacobs) 2001; 24(1):17-35
- Theoretical Development of Nursing Interventions for Sudden Cardiac Arrest Survivors Using Social Cognitive Theory. (Dougherty, Johnson-Crowley, Lewis, Thompson) 2001;24(1):78-86

Nursing research

- Human Biological Materials in Research: Ethical Issues and the Role of Stewardship in

Minimizing Research Risks. (Jeffers) 2001;
24(2):32-46

The Pattern That Connects. (Newman) 2002;
24(3):1-7

P

Pain

Toward a Praxis Theory of Suffering. (Morse)
2001;24(1):47-59

Transitions in the Concept of Chronic Pain.
(Breen) 2002;24(4):48-59

Pattern recognition

Coming To Know Ourselves as Community
through a Nursing Partnership with
Adolescents Convicted of Murder. (Pharris)
2002;24(3):21-42

The Pattern That Connects. (Newman) 2002;
24(3):1-7

Phenomenology

A Phenomenological Study of the Art of
Nursing: Experiencing the Turn. (LeVasseur)
2002;24(4):14-26

Philosophy

Nursing with Prisoners: The Practice of Caring,
Forensic Nursing or Penal Harm Nursing?
(Maeve, Vaughn) 2001;24(2):47-64

Respect for Human Dignity: A Central
Phenomenon to Philosophically Unite
Nursing Theory and Practice through
Consilience of Knowledge. (Jacobs) 2001;
24(1):17-35

Power

Home and Border: The Contradictions of
Community. (Drevdahl) 2002;24(3):8-20

Prisoners

Coming To Know Ourselves as Community
through a Nursing Partnership with
Adolescents Convicted of Murder. (Pharris)
2002;24(3):21-42

Nursing with Prisoners: The Practice of Caring,
Forensic Nursing or Penal Harm Nursing?
(Maeve, Vaughn) 2001;24(2):47-64

Psychology

Transitions in the Concept of Chronic Pain.
(Breen) 2002;24(4):48-59

Public health nursing

Reinvesting in Social Justice: A Capital Idea
for Public Health Nursing? (Drevdahl,
Kneipp, Canales, Dorcy) 2001;24(2):19-31

R

Research

Human Biological Materials in Research:
Ethical Issues and the Role of Stewardship in
Minimizing Research Risks. (Jeffers) 2001;
24(2):32-46

An Integrative Model for Environmental Health
Research. (Dixon, Dixon) 2002;24(3):43-57

The Pattern That Connects. (Newman) 2002;
24(3):1-7

Resource allocation

Nursing Ethics in an Era of Globalization.
(Austin) 2001;24(2):1-18

Reinvesting in Social Justice: A Capital
Idea for Public Health Nursing?
(Drevdahl, Kneipp, Canales, Dorcy) 2001;
24(2):19-31

Respect

Respect for Human Dignity: A Central
Phenomenon to Philosophically Unite
Nursing Theory and Practice through
Consilience of Knowledge. (Jacobs)
2001;24(1):17-35

Responsibility

Empathetic Maturity: Theory of Moral Point of
View in Clinical Relations. (Olsen) 2001;
24(1):36-46

Rheumatoid arthritis

Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002; 24(4):27-47

Risk

Human Biological Materials in Research: Ethical Issues and the Role of Stewardship in Minimizing Research Risks. (Jeffers) 2001; 24(2):32-46

An Integrative Model for Environmental Health Research. (Dixon, Dixon) 2002; 24(3):43-57

S*Safety issues*

Creating a Context of Safety and Achievement at School for Children Who Are Medically Fragile/Technology Dependent. (Rehm) 2002;24(3):71-84

Human Biological Materials in Research: Ethical Issues and the Role of Stewardship in Minimizing Research Risks. (Jeffers) 2001; 24(2):32-46

Scholarship

Advancing Nursing Scholarship through the Interpretation of Imaginative Literature: Ancestral Connectedness and the Survival of the Sufferer. (Harrison) 2001;24(2):65-80

School

Creating a Context of Safety and Achievement at School for Children Who Are Medically Fragile/Technology Dependent. (Rehm) 2002;24(3):71-84

Self-transcendence

Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002; 24(4):27-47

Social cognitive theory

Theoretical Development of Nursing Interventions for Sudden Cardiac Arrest Survivors Using Social Cognitive Theory. (Dougherty, Johnson-Crowley, Lewis, Thompson) 2001;24(1):78-86

Social support

A Theory of Online Social Support. (LaCoursiere) 2001;24(1):60-77

Suffering

Advancing Nursing Scholarship through the Interpretation of Imaginative Literature: Ancestral Connectedness and the Survival of the Sufferer. (Harrison) 2001;24(2):65-80
Toward a Praxis Theory of Suffering. (Morse) 2001;24(1):47-59

T*Technology dependent children*

Creating a Context of Safety and Achievement at School for Children Who Are Medically Fragile/Technology Dependent. (Rehm) 2002;24(3):71-84

Tele-health

Visible Humans, Vanishing Bodies, and Virtual Nursing: Complications of Life, Presence, Place, and Identity. (Sandelowski) 2002; 24(3):58-70

Theory

Empathetic Maturity: Theory of Moral Point of View in Clinical Relations. (Olsen) 2001; 24(1):36-46

Health, Healing, and the Myth of the Hero Journey. (Smith) 2002;24(4):1-13

Home and Border: The Contradictions of Community. (Drevdahl) 2002;24(3):8-20
The Pattern That Connects. (Newman) 2002; 24(3):1-7

Respect for Human Dignity: A Central Phenomenon to Philosophically Unite Nursing Theory and Practice through Consilience of Knowledge. (Jacobs) 2001;24(1):17-35

Theoretical Development of Nursing Interventions for Sudden Cardiac Arrest Survivors Using Social Cognitive Theory. (Dougherty, Johnson-Crowley, Lewis, Thompson) 2001; 24(1):78-86

A Theory of Online Social Support. (LaCoursiere) 2001;24(1):60-77

Toward a Praxis Theory of Suffering. (Morse) 2001;24(1):47-59

U

Unitary-transformative paradigm
Health, Healing, and the Myth of the Hero Journey. (Smith) 2002;24(4):1-13

Universalism

Nursing Ethics in an Era of Globalization. (Austin) 2001;24(2):1-18

V

Violence

Coming To Know Ourselves as Community through a Nursing Partnership with Adolescents Convicted of Murder. (Pharris) 2002;24(3):21-42

Virtual nursing

Visible Humans, Vanishing Bodies, and Virtual Nursing: Complications of Life, Presence, Place, and Identity. (Sandelowski) 2002; 24(3):58-70

Visible Human Project

Visible Humans, Vanishing Bodies, and Virtual Nursing: Complications of Life, Presence, Place, and Identity. (Sandelowski) 2002; 24(3):58-70

W

Women

Transcendence and Transformation in the Life Patterns of Women Living with Rheumatoid Arthritis. (Neill) 2002;24(4):27-47
